Regulatory & Eligibility Framework

Regulation (EU, Euratom) No 2015/1929 of the European Parliament and of the Council of 28 October 2015 amending Regulation (EU, Euratom) No 966/2012 on the financial rules applicable to the general budget of the Union;

Regulation (EU) **No 1303/2013 (Common provisions regulation)** where Articles 6 and 65 to 71 give specific provisions on applicable law as well as on eligibility of expenditure;

Regulation (EU) **No 1301/2013 (ERDF regulation)** where article 3 gives specific provisions on the eligibility of activities under the ERDF;

Regulation (EU) **No 1299/2013 (ETC regulation)** where Articles 18 to 20 give specific provisions on eligibility of expenditure applicable to Programmes of the European Territorial Cooperation goal;

Commission Delegated Regulation (EU) **No 481/2014** containing specific rules on eligibility of expenditure for cooperation Programmes

Regulation (EU) No 236/2014 (Common implementing regulation) laying down common rules and procedures for the implementation of the Union's instruments for financing external action as far as the application of public procurement is concerned.

ADRION Cooperation Programme

-Programme guidance documents to projects issued by the MA/JS (e.g.: Programme Manual, Implementation Manual).

National rules:

- National legislation / [ΥΠΑΣΥΔ ΦΕΚ 1099/τΒ/19.4.2016](#)
- Institutional rules and regulations

General eligibility provisions and requirements

As a general rule, expenditure is eligible for funding if it fulfils all the following general eligibility requirements:

- It has occurred in the eligible period defined by the Programme and within the eligible period related to the duration of the project (max 30 months); exceptions refer to preparation costs and project closure costs:

Preparation costs have the form of a lump sum reimbursement and refer to any costs incurred by the partnership for the preparation of the application form between 1st of January 2014 and the day before the submission of the project proposal, for a maximum of EUR 11.800,00 for the strategic project: EUR 50.000 and only if listed in the application form. Any costs incurred by the projects between the date of submission of the AF and the date of signature of the subsidy contract (i.e.: between the end of the preparation period and the start of the implementation period) for fulfilling the conditions for improvement cannot be claimed as they are not considered part of the preparation costs.

Project closure costs refer to the finalization of all the legal and administrative obligations related to the granted activities, including the preparation of the last progress report, the final report and the reconciliation with the initial granted amount, if necessary; these activities take place after the project official finalization of activities reported in the AF and **can last not more than 3 months.**

- It refers to costs occurred for the implementation of the project and in accordance with the proposal approved by the MC or its subsequent revisions approved by the Programme implementing bodies, if any;
- It is essential for the implementation of the project and it would not be incurred if the project is not carried out;
- **It relates to a product or service foreseen in the approved project proposal that has been delivered and complies with publicity and information requirements;**
- It is directly borne by the beneficiary and supported by accounting documents justifying incurred expenses/payments (invoices, pay rolls...) except for costs calculated as flat rates and lump sums;
- It relates to an activity which has not benefitted from financial support by another public source (double funding);
- **principle of sound financial management (efficiency, effectiveness and economy);**

- **It complies, if required, to the public procurement rules applicable in that Partner State;**
- It is registered in the beneficiary's accounts through a separate accounting system or an adequate accounting code set in place specifically for the project;
- It is not in contradiction with specific Programme rules;
- It has been validated by an authorised national controller;
- **It is incurred within the ADRION Programme area**

As a general rule, ERDF contribution must support actions implemented in the Union part of the programme area.

*In relation to the above, and in accordance with art. 20 of Regulation (EU) No 1299/2013, the ADRION programme accepts the implementation of activities by ERDF PPs outside the Union part of the programme **area but within the programme area** (i.e.: IPA Partner States) on condition **they are reported in the AF as eligible costs activities or prior accepted by MA/JS** on a case by case basis.*

Costs of activities implemented by ERDF PPs outside the Union part of the Programme area but within the programme area cannot exceed 20% of the ERDF support to the total project budget

Non-supported activities and non-eligible expenditure

- In kind contributions (in the form of provision of works, goods, services, land and real estate for which no cash payment supported by invoices, or documents of equivalent probative value, has been made);
- Interest on debt;
- Purchase of land;
- Recoverable value added tax (VAT), except where it is not recoverable under national VAT legislation;
- Fines, financial penalties and expenditure on legal disputes and litigation;
- Costs for gifts, except those not exceeding EUR 50 per gift where related to promotion, communication, publicity or information (shall not exceed EUR 500 at project budget level);

- Costs related to fluctuation of foreign exchange rate;
- Charges for national financial transactions.

The Programme also considers as not eligible the following expenditure:

- Under travel and accommodation budget line, the cost of taxis shall not be reimbursed, except when it can be demonstrated that no public transport was available at the time and place needed
- Costs for alcoholic beverages;
- Costs for the creation of a project web site, as ADRION will offer in its web site space for all funded projects in order to guarantee a coordinated visibility, unless duly justified;
- Heavy investments, infrastructures and works, as described by the Directive 2014/24/EU, Annex II

Detailed Eligibility Rules – Staff Costs

- Salary payments related to the activities which the entity would not carry out if the operation concerned was not undertaken
- Payments to natural persons working for the beneficiary under a contract other than an employment/work contract may be assimilated to salary payments and such costs are **eligible under staff costs only when the following conditions are met:**
 1. The person works under the beneficiary's instructions and, unless otherwise agreed with the beneficiary, on the beneficiary's premises;
 2. The result of the work carried out belongs to the beneficiary;
 3. **The costs are not significantly different from those for personnel performing similar tasks under an employment contract with the beneficiary;**
 4. **Απαίτηση ΥΠΑΣΥΔ (αρθ.26, παράγραφος 5):**

Το προσωπικό του δικαιούχου δεν επιτρέπεται να απασχολείται στην πράξη στη βάση σύμβασης παροχής υπηρεσιών (υπεργολάβος) ή σύμβασης μίσθωσης έργου.

Detailed Eligibility Rules – Staff Costs

- Staff costs -Maximum 50% of the total project budget (ems submission block)

Staff costs reimbursed according to **flat rate calculation**

- Staff costs calculated according to the flat rate will be reimbursed for an amount equal to 20% of the sum of the costs incurred in the reporting period under all the other budget lines, except “staff costs” and “office and administrative expenditure”

Calculation and documents for the audit trail

- For staff costs calculated through the flat rate, beneficiaries do not need to document that the expenditure for staff costs has been incurred and paid or that the flat rate corresponds to the reality. Moreover, no accountancy is requested .

Obligations:

- It is however asked to report with **a summary description** of the tasks carried out and the outputs achieved by the employee in the project reporting period.
- the beneficiary has to demonstrate that it has **at least one employee** involved in the project. This is done through a self-declaration issued by the beneficiary's legal representative
- In case of small companies/association where no staff is employed and the work is provided by the company's owner(s), the legal representative of the company has to issue a self-declaration certifying that the owner(s) of the company has(have) directly worked in the project in the concerned reporting period.
- The veracity of self-declarations certifying that member(s) of the beneficiary's organisation are working in the project may be checked by any of the Programme bodies entitled to perform controls and audits.

Office and Administrative Costs – 10% of staff cost

- Cost items comprised in the budget line are the following (exhaustive list):
 - Office rent;
 - Insurance and taxes related to the buildings where the staff is located and to the equipment of the office (e.g. fire, theft insurances);
 - Utilities (e.g. electricity, heating, water);
 - Office supplies;
 - General accounting provided inside the beneficiary organisation;
 - Archives;
 - Maintenance, cleaning and repairs;
 - Security;
 - IT systems;
 - Communication (e.g. telephone, fax, internet, postal services, business cards);
 - Bank charges for opening and administering the account or accounts where the implementation of an operation requires a separate account to be opened;
 - Charges for transnational financial transactions.

Travel Costs

- costs incurred by the partner organisation for travels and accommodation of its own staff necessary for the delivery of the project
- The following items are eligible under this budget line:
 - Travel costs (e.g. tickets, travel and car insurance, fuel, car mileage, toll, and parking fees)
 - Meals costs
 - Accommodation costs
 - Visa costs
 - Daily allowances

ADRION Program:

- Accommodation costs can be accepted if they are in the middle price range, while higher price ranges must be duly justified in each case
- Beneficiaries must respect either their ordinary internal rules for travel and accommodation costs (if any), or *(for all partners) N. 4336/2015 whichever is stricter*

Travel Costs

- **Travel and accommodation costs occurred outside the EU programme area are eligible only**
 - **if they have been previously authorised by the MA/JS (unless already foreseen in the approved application form);**

Travel and accommodation costs of:

- a) External experts and service providers including speakers, chairpersons, teachers, etc. shall be reimbursed under the external expertise and services budget line; the same applies to travel and accommodation costs;
- b) Associated partners can only be claimed under the external expertise and services budget line;
- c) PPs from non EU Countries (outside the Programme area): all travels and accommodation shall be paid by their own funds.

Equipment Costs

- Cost of equipment is only eligible if **foreseen in the approved AF**. During project implementation, **purchase of any equipment not explicitly mentioned in the AF will have to be subject to prior approval by the MA/JS**.
- The selection of the suppliers for the purchasing, rental and/or leasing of any equipment item shall comply with the relevant EU and national **public procurement law in force**
- the equipment **cannot be sold** (i.e.: change of owner) for at least 5 years after the project end date.

2 equipment categories:

1st: Equipment for general office use.

- When the **exclusive use** for project purposes and activities cannot be demonstrated, such costs are deemed to be covered under the office and administration budget line
- Costs of office equipment **already in possession** of the beneficiary organisation and used to carry out project activities are not eligible under this budget line, as such costs are already covered under the budget line office and administration.
- Equipment for general office use shall be reimbursed by the Programme, based on the **depreciation rates**

Equipment Costs

- The full cost of equipment for general office use is only eligible when the following conditions are satisfied:
 - o Equipment item is exclusively used for the project implementation;
 - and
 - o The depreciation period is shorter than the time lap between the purchase of the equipment and the end of the project;
 - or
 - o Equipment item is not depreciable (e.g. low value asset) according to the national legislation of the concerned partner.

2nd: Equipment considered as thematic and functional .

- Equipment considered as thematic and functional to the implementation of pilot actions. It can be a tool or a device that remains in use by the partnership after the completion of the project.
- The full cost of thematic equipment is eligible

External Expertise (recommended not more than 50%)

- Studies or surveys
- Training
- Translations
- IT systems, modifications and updates
- Promotion, communication, publicity or information
- Financial management
- Services related to the organisation and implementation of events or meetings
- Participation in events (e.g. registration fees)
- Legal consultancy and notarial services, technical and financial expertise, other consultancy and accountancy services
- Intellectual property rights
- Travel and accommodation for external experts, speakers, chairpersons of meetings and service providers,
- Other specific expertise and services needed for the project.

The following costs are not eligible under this category:

- Basic courses (e.g. language, accounting, use of MS Office);
- PP employee cannot be paid as expert for the project;

External Expertise

- When awarding external expertise and service contracts all PPs ***irrespective their legal status*** must ensure that EU and national rules on public procurement are respected
- Service providers cannot be PP organisations, including associated PPs.
- Project costs referring to tasks sub-contracted by the beneficiary to in-house bodies are eligible under external expertise and service budget line on condition that the following is met:
 - Costs incurred by the in-house body are charged **on a real costs basis** without any profit margin;
 - The sub-contracting to the in-house body of project related tasks complies with national and institutional **public procurement provisions in force**.
 - **ΥΠΑΣΥΔ ΦΕΚ 1099/τΒ/19.4.2016 άρθρο 20:** «Με την υποβολή της πρότασης χρηματοδότησης στο πρόγραμμα ο δικαιούχος υποχρεούται να δηλώσει την εκτέλεση της συγκεκριμένης πράξης μέσω προγραμματικής σύμβασης.»
