Inter-Connect Partnership

Inter-Connect GOALS

❖ Inter-Connect follows a bottom-up approach:

- To overcome barriers &
- To Provide improved rail-maritime based passengers intermodality

❖ 8 pilots - test cases:

- Increase efficiency,
- Reduce environmental impact of transport systems,
- Improve public transport competitive profile,
- Facilitate the creation of synergies among transport operators,
- Create more and better integrated rail services at local and transnational level,
- Support port - hinterland connections by rail.

Key objectives and outputs

To boost intermodal PuT based (rail-sea) passenger transport in ADRION through:

- ✓ The identification of **key players** in mobility planning,
- ✓ The creation of a cooperation environment (**Inter-Connect Transnational cooperation network**),
- ✓ The development of **common understanding** of area's needs, challenges, opportunities and treats and
- ✓ The formulation of a **strategic framework** for enhancing intermodality in the area.

Thank you for your attention
